File name: index.js

### Code

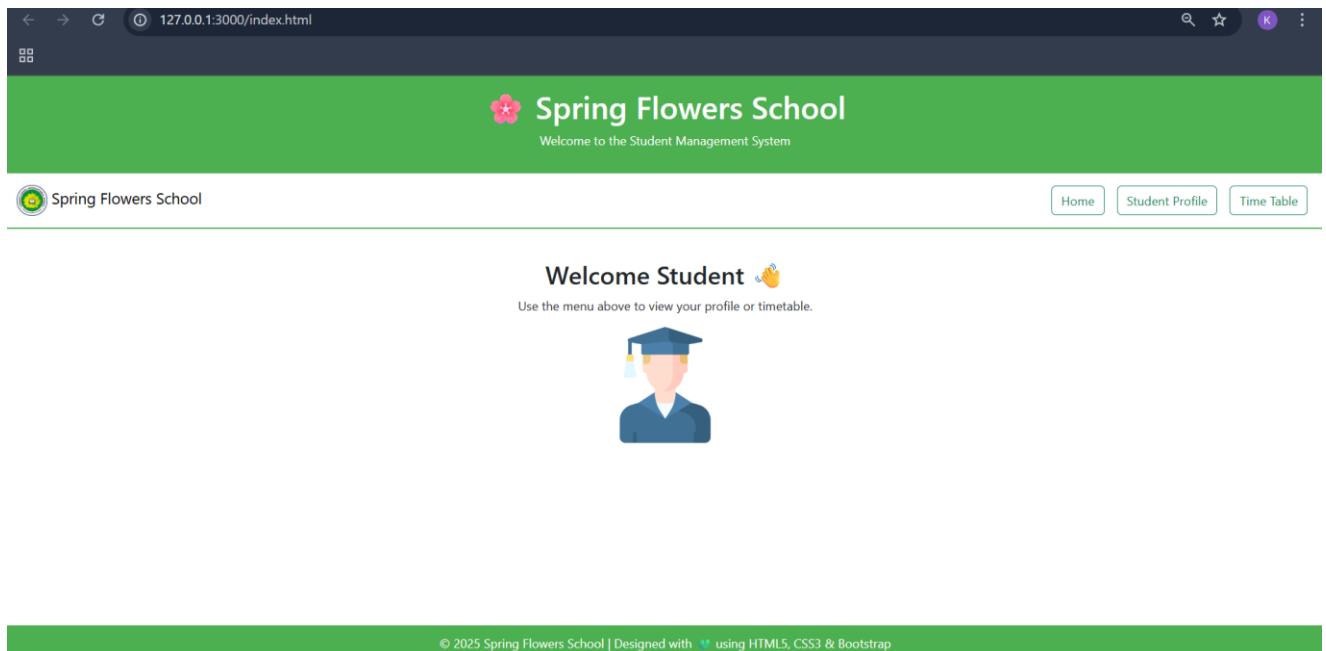

```
function showSection(sectionId) {
```

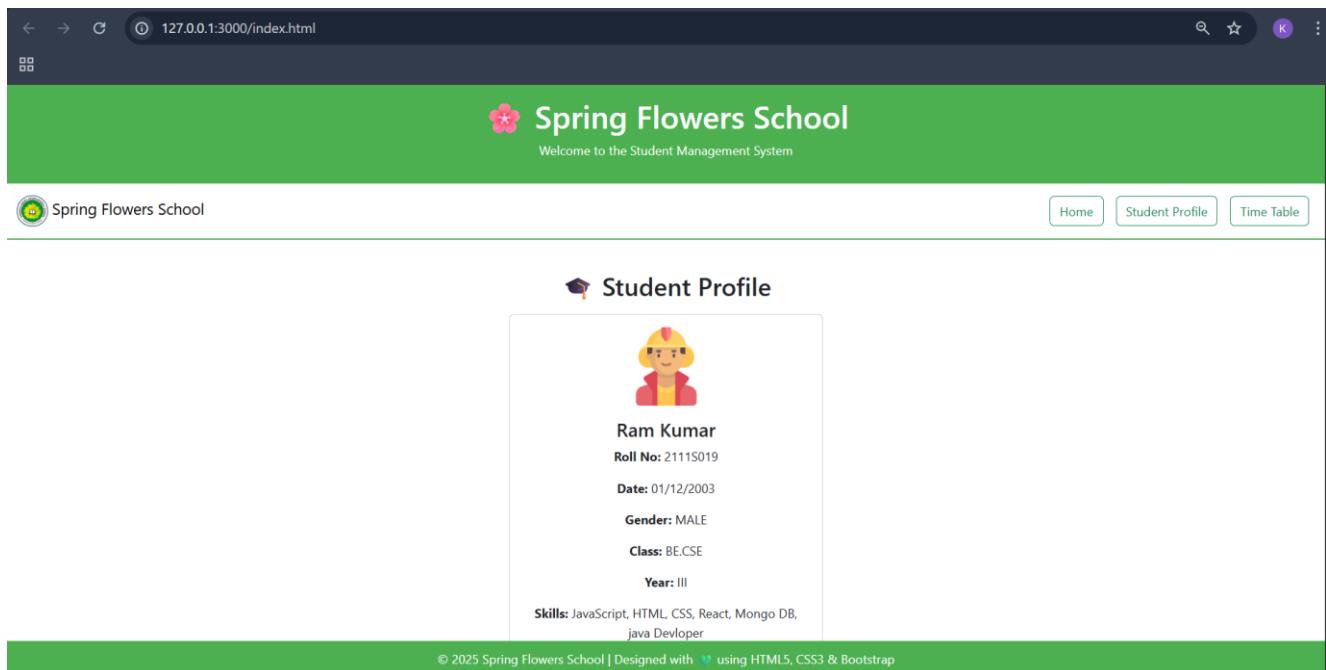

```
    document.getElementById('welcome').style.display = 'none';
```

```
document.getElementById('studentProfile').style.display = 'none';
document.getElementById('timeTable').style.display = 'none';
document.getElementById(sectionId).style.display = 'block';
}
```

### Expected Output:

The screenshot shows a web browser window with the URL 127.0.0.1:3000/index.html. The page has a green header bar with the school logo and name "Spring Flowers School". Below the header, a welcome message "Welcome to the Student Management System" is displayed. A central feature is a large graduation cap icon with a student silhouette. Below the icon, the text "Welcome Student" and a waving hand emoji are shown. A note says "Use the menu above to view your profile or timetable." At the bottom of the page, there is a footer bar with the copyright notice "© 2025 Spring Flowers School | Designed with 🌟 using HTML5, CSS3 & Bootstrap".

The screenshot shows the same web browser window, but now on the "Student Profile" page. The header and footer are identical to the previous screenshot. The main content area is titled "Student Profile" with a graduation cap icon. It displays a student profile card for "Ram Kumar". The card includes a small student icon, the name "Ram Kumar", the roll number "2111S019", the date of birth "01/12/2003", gender "MALE", class "BE.CSE", year "III", and skills "JavaScript, HTML, CSS, React, Mongo DB, Java Developer". At the bottom of the page, there is a footer bar with the copyright notice "© 2025 Spring Flowers School | Designed with 🌟 using HTML5, CSS3 & Bootstrap".
